this is a poster for a Comic Con job in  
San Diego  
It's a 4ft. x 6ft. canvas

The lay-out is to be like a comic book

I made the logos from previously made comic  
con logos  
that were from other cities This job took  
approx. two hours

This is a social media page that was set in  
pixels, about  
2400 pixels tall, and about 1100 in the  
width

This project was a mock-up for San Diego  
Comic Con

Page was done with PhotoShop, then im-  
ported to In Design for the portfolio itself

This image took approximately two hours  
counting building the logos
